Well if this report hasn't been distributed, I can send it to everyone. I would presume that we can send it electronically – or do some parties need a hard copy?

Mike and I had been sharing docs with Peter Butler with the intent that it be sent to ARSG. I found out however, that it wasn't always getting to ARSG. Specifically Larry Perino, hence the FOIA. However it is decided to distribute, I would recommend 'ccing Larry.

Thanks Dan – this will be helpful to understand what's been going on recently.

Question for you and Steve: I noticed that ARSG, DRMS, BLM and CDPHE are listed on the distribution list for the report. Who takes care of distributing the report to these parties? I can do it if it hasn't been done yet. Let me know and I will follow-up as necessary.

Thanks

This is the sampling activities report from 2013. Please distribute as you see fit or let me know where you would like this delivered.
